TEAM DYNAMICS AND COLLABORATION WORKSHOP

## The Team Collaboration Crisis

**86%** of employees attribute workplace failures to poor collaboration and communication.

**75%** of cross-functional teams are dysfunctional - missing goals, over budget, or failing to meet expectations.

**65%** of team members cite low trust and poor psychological safety as their #1 barrier to performance.

Only **1 in 5** employees feel their team has a clear plan for working better together - the rest are stuck in unproductive patterns (Gallup).

## The Solution: SynergyStack® Team Building System

A revolutionary card deck system - created by bestselling authors Karin Hurt & David Dye (Let's Grow Leaders) - where leaders accelerate performance, reduce stress, and build 48 evidence-backed habits:

- Diagnose real organizational pain points using the 4-Pillar framework (Clarity, Connection, Commitment, Curiosity).
- Play the SynergyStack® card experience: 48 habits, curated deck, team debate, and consensus building.
- Convert prioritized habits into observable, measurable behaviors specific to your organization.
- Launch a 30-Day Habit Sprint with peer accountability partnerships and KPI tracking.
- Receive structured IBDL post-workshop reinforcement: weekly check-ins, mid-sprint pulse surveys, and a 30-day retrospective.

## Proven Results

**90%**

of participants report immediate clarity in roles and priorities

**75%**

higher habit retention vs. traditional lecture-based training

**5.0/4.8**

average participant satisfaction rating
